

## Journal of Research in Pharmaceutical and Allied Sciences

## Author Declaration Form

I/We, the undersigned, give an undertaking to the following about our manuscript entitled

### Details of Author's:

[illegible]

**Note:**

- i) This form must be signed by each author separately in the order specified above. If one author has left the organization or nation and it is unknown where they are, the senior author may sign on their behalf, accepting accountability.
- ii) No additional additions, deletions, or modifications to the authorship sequence will be allowed without the editor's consent and good cause.
- iii) The article will either be returned or won't be processed for publication until the authorship dispute is resolved if it arises at any point.
